

American Recovery and Reinvestment Act of 2009 (ARRA)

Project Certification

Program: West Virginia Drinking Water Treatment Revolving Fund (DWTRF)

Project: City of Petersburg, Grant County

Description: The project will replace the 350,000 gallon Hospital water storage tank with a new 1.5 million gallon storage tank and upgrade the water treatment plant from 1200 GPM to 2400 GPM using a pair of mixed media filters, new flocculating clarifiers, new solids handling facilities, new raw water and service pumps, and a new electrical system.

Total Project Cost

\$11,054,815

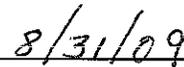

ARRA Assistance Provided

\$2,915,000

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website www.recovery.gov.
