

American Recovery and Reinvestment Act of 2009 (ARRA)

Project Certification

Program: West Virginia Drinking Water Treatment Revolving Fund (DWTRF)

Project: Putnam PSD, Putnam County

Description: The project will replace an obsolete water filter, replace filter media in another filter, and add manual over-ride capabilities on pneumatic valves resulting in a 50% increase in water capacity ensuring reliable drinking water for Putnam County residents.

Total Project Cost

\$727,000

ARRA Assistance Provided

\$100,000

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website www.recovery.gov.
