

# American Recovery and Reinvestment Act of 2009 (ARRA)

## Project Certification

**Program:** West Virginia Drinking Water Treatment Revolving Fund (DWTRF)

**Project:** Sugar Creek PSD, Braxton County

**Description:** The project will upgrade the current water system by sandblasting and painting 2 tanks, fencing 6 tank sites, replacing pumps and valves, moving the chlorine room outside of the filter house, replacing the telemetry system and the existing flocculator, installing water line, and upgrading a booster pump station. This project will improve long-term reliability and reduce or eliminate current operational problems. Installation of fencing will ensure compliance with the Safe Drinking Water Act.

### Total Project Cost

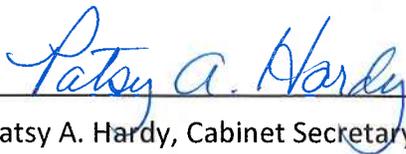

\$1,109,000

### ARRA Assistance Provided

\$396,500

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website [www.recovery.gov](http://www.recovery.gov).
