Mark McKenzie, Project Manager
Frontier Communications

We have received the Construction Costs for **LCR #BB03A27 – Boone County Health Department**. The estimated construction cost for this location is **\$16,843.00**. This request is being forwarded directly so that construction can begin. You will be contacted as soon as an estimated construction date has been determined.

Any changes to the schedule must be coordinated through the Broadband Project Manager. This includes unforeseen circumstances that could possibly affect the schedule and / or cost of this construction. Please note that if the actual cost of construction exceeds the estimated cost, this request will be further reviewed by the Grant Implementation Team and additional documentation will be required.

Thank you.
